Notes to the financial results:

- The above results of the Company for quarter ended June 30, 2019 have been reviewed by the Audit Committee and taken on record by the Board of Directors at its meeting held on 13-08-2019.
- These financial results have been prepared in accordance with the Indian Accounting Standard (Ind-AS), the provision of the Companies Act, 2013 read with the relevant rules issued thereunder and guidelines issued by the Securities and Exchange Board of India.
- 10% Cumulative Redeemable Optionally Convertible Preference Shares (CROCPS) of Rs.10 each had been allotted by the Company in the year 2005. As per the terms of the arrangement these preference shares including unpaid dividend could be converted into ordinary equity shares of the Company of Rs 10 each at any time after 3 years from date of allotment or could be redeemed by the Company at par in three equal installments commencing from the end of 5th, 6th and 7th year from the date of allotment. During the year 2009-10, the Company obtained extension of redemption period by 3 years from the preference shareholders (i.e. redemption at end of 8th, 9th and 10th year from the date of allotment). Further extension of redemption period was obtained on 2 occasions for 3 years each and 1 occasion for 1 year, with all other terms remaining unaltered. Accordingly, these preference shares are liable to be redeemed by the Company in three equal installments commencing from the end of 15th, 16th and 17th year from the date of allotment [i.e., on 12.5.2020, 12.5.2021 and 12.5.2022], unless conversion option is exercised at an earlier date.

Till now, the preference shareholders have not exercised the conversion option, however, the same can be exercised by them any time before 12.05.2020. Therefore, treatment of 10% Cumulative Redeemable Optionally Convertible Preference Shares is taken as Equity and such Preference Shares have been shown as part of Equity (under Other Equity) and have not been categorized as Financial Liabilities. Further, the Company does not have the sufficient profits to declare dividend on preference shares. Dividend is appropriation of profit and, in case of loss nothing can be appropriated towards dividend. Therefore, no provision is made for unpaid dividend.
- Figures of the previous quarters/year have been regrouped and reclassified wherever necessary to correspond with current year's presentation.
